**Physical Therapy | Occupational Therapy | Speech Therapy | Wheelchair Clinic**

We accept most major insurance networks including Medicaid, Medicare, and Workers Compensation. If you need additional information please call to verify your insurance. In addition, for patients concerned about deductible and co-insurance rates, we offer affordable self-pay options.

In addition to the most common physical rehabilitation, occupational, and speech therapy services, we specialize in:

**Adult Services Division**

All care is performed by our licensed therapists, never an aide or technician. Your therapist will only work with YOU during your appointment. You'll get faster results in fewer sessions through our hands-on techniques and with use of the latest technology. You will receive a custom tailored exercise program to ensure your progress continues and to prevent repeat injuries. We also provide fully accessible wheelchair equipment to accommodate all of our clients.

- Multiple Sclerosis
- Stroke recovery
- Spinal Cord Injuries
- Arthritis And Rheumatologic Conditions
- Balance Disorders
- Fall Prevention
- Carpal Tunnel Syndrome
- Contractures
- Foot Pain
- Chronic Back Pain
- Muscle And Joint Pain
- Neck, Shoulder, and Arm Pain

- Workers Compensations Cases
- Ergonomic Home Office/Workplace Evaluations
- Speech disorders
- Swallowing disorders
- Cognitive retraining
- Continence management
- On-The-Job Injuries

**Pediatric Services**

Adler Therapy Group's Pediatric Division is a comprehensive outpatient rehabilitation center with experienced pediatric therapists. We provide skilled physical, occupational and speech-language therapy services for children birth to 21 using the latest technology, equipment and treatment techniques. Our facilities feature full pediatric gyms, large treatment rooms along with a kind, nurturing and encouraging environment to help your child achieve their optimal function. We are also a great place for older teens to transition to being a more independent young adult.
